

Privacy And Confidentiality Policy Updated 6/13/08

When You Access This Web Site

You can access this site without revealing your identity or providing any personal information. We collect usage information (“Web trends data”) when you visit, but it is anonymous and is not linked to you as an individual.

We use Web trends data to ascertain how this site is searched and navigated, how many pages are viewed, which browsers and computer operating systems are used by our visitors, and which Internet Protocol (IP) addresses are used by our visitors to connect to the site. This information is used only to modify and improve the site.

When You Register for a CME/CE Activity or Complete a CME/CE Posttest/Evaluation

We ask only for the personal information that will allow us to provide the services you request. We also ask for information that will help us determine if we are meeting your needs and reaching our target audience.

We may use this information to contact you when we (a) confirm your registration for a CME/CE activity or (b) conduct research related to our CME/CE activities. If you do not want us to contact you for research activities, please *deselect* the statement about your interest in participating in CME/CE research activities that appears near the bottom of the registration form.

If you have any questions or concerns regarding our *Policy on Privacy and Confidentiality*, please contact cmecert@veritasime.com.

Please direct questions and comments to:
